

### **Shellfish Bureau Contractor Position – January 2015**

The Mississippi Department of Marine Resources is currently trying to fill a contractor position in our Shellfish Bureau. This position's main duties revolve around oyster resource enhancement and rehabilitation and monitoring area waters and reefs. The selected individual must have knowledge of coastal area waters and shellfish reefs, and be able to operate a boat. The ideal candidate must be familiar with the oyster industry, navigation equipment, recorders, Global Positioning System instruments and YSI multi-parameter water quality instruments. Knowledge of routine maintenance of boats and equipment is preferred.

The work hours will be 40 hours per week. Hourly pay rate is \$16.00.

Individuals interested in applying for this position should submit a resume describing relevant work experience, prior work history, and salary requirements to [HR@dmr.ms.gov](mailto:HR@dmr.ms.gov). Please note in the subject line "Shellfish Bureau Contractor Position".

The Mississippi Department of Marine Resources is an equal opportunity employer. Veterans are encouraged to apply.
